

## Module Two

### Illustration assignment: Create a character

Continue to use black and white only for this assignment.

Make a sketch of the character or a character from your story. You can use pencil, ink marker, or another black material you are familiar with. Your character can be any style of drawing that you choose.

Make a drawing of the environment around your character. You can draw the character in or paste the character over the top. Your environment can be any style of drawing you choose.
