

Module Four

Task: Narrative, concept, non-fiction, & well-being picture books

Find one example of each of the following picture books:

- narrative
- concept
- non-fiction
- well-being

In your journal, reflect on the following questions for each books:

1. What is the central theme or idea?
2. How has the author captured the child's attention?
3. How accessible is the theme or idea?
4. How has the author used rhythm to captivate the child?
5. How has the author used structure to maintain the child's interest?
6. How has the illustrator used colour and other visual strategies to capture the child?
